

Ephesians 6:12-13 reminds us:

For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground.

As minister to students here at WHBC, I desire to see students well equipped so that they may withstand whatever comes their way. I believe that what's coming their way right now is a false, worldly message telling them to pursue some version of the "American Dream." The prince of this world wants our students distracted. He wants them spending their time and energy pursuing happiness in the form of worldly fleeting pleasure. He attracts and tempts them with cars, money, sex, and status. He wants to convince them that what's real and meaningful is only what's right in front of them. This is not the life for the Christian. It is my hope that students stop asking God to bless their pursuits of happiness, and instead pursue God and what He is doing, because it's already blessed!

God's story has been in process for thousands of years. It's the best story that's ever been told, and it is absolutely true! It's my desire to see students passionate about God's story and to jump on board with everything they've got. I want to see students experience the absolute and only TRUE JOY of being in God's will!

This is my vision for students here at WHBC, and we pursue it through "*devoting ourselves to the apostles' teaching, to fellowship, to the breaking of bread (a lot!) and prayer*" (Acts 2:42).

We meet weekly, but also have various other events throughout the year. You know, things like pool parties, disciple now, camp, missions, trips to Six Flags, etc.

Check our website often for updates on what's coming up!

**We have fun. We study the Word. And we pursue Joy that is found only
in obedience to Christ!**
